

Application for training as a nursing assistant

Application deadlines:

1 September | School starts April 1st

Necessary documents for the start of the training:

- Successful completion of secondary school, completed vocational training or equivalent qualification of the country of origin with a translation into German (only a scanned copy of the original needs to be sent to us)
- at least 16 years
- Complete curriculum vitae in German with signature
- Birth certificate with a translation into German
- Copy of passport, (visa if available)
- Proof of German language skills at B2 level of the Common European Framework of Reference for Languages

After a later request:

- Medical certificate of suitability for the profession
- Police clearance certificate or equivalent

Note:

Please do not send us **any certificates or other documents in the original!** Scanned copies of the original certificates are sufficient for the application.

Your application will not be processed until all documents have been received.

Before the end of the application period, please send all necessary documents to our email: bewerbung@bfs.arche-twi.com

After receipt of the complete documents, you will receive a confirmation email from us.
